Brand New Book ***** Print on Demand *****.Excerpt from Women at the University For the first time the University of Iowa is issuing as an official bulletin a document which is entirely the work of students. The idea was suggested by the President of the Women s Council, approved by the Dean of Women, and worked out by a representative committee of undergraduate women. Originally it was intended to be published as a handbook for women already on the campus, but the university editor, believing that young women planning to enter college would be interested in the ideals and activities of women students at the University of Iowa, offered to include it in the series of University bulletins.
