

## Darkstalker

By Tui T Sutherland

Scholastic on Brilliance Audio, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Before the battle of the SandWing queens; before the prophecy and the dragonets sent to save Pyrrhia from endless war; a long, long time ago. evil was born. In alternating chapters, this Wings of Fire special edition takes readers back to the very beginning, when powerful, mythical dragons Clearsight, Fathom, and Darkstalker--the most dangerous dragon of all--were just dragonets. When the future was bright and uncertain, when no one had been betrayed or had their heart broken. This is the origin story that changes everything.

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*
