Orbit, 2017. Paperback. Condition: New. Language: English . Brand New Book. A watchman of the Yenara City guard has gone missing. The culprit could be any of the usual suspects: drug-dealing orcs, mind-controlling elves, uncooperative mages, or humans being typical humans. It s up to two reluctant partners -- Rem, a hungover miscreant who joins the Watch to pay off his bail, and Torval, a maul-wielding dwarf who s highly unimpressed with the untrained and weaponless Rem -- to uncover the truth and catch the murderer loose in their fair city. A brilliant premise, wonderfully told. A city that breathes, and heroes you can t help but root for. -  
- Nicholas Eames, author of Kings of the Wyld A glorious tour through fantasy s seamier side. A wilder ride than Middle Earth, and you ll love every minute of it! -- Jon Hollins, author of the Dragon Lords series.
