

Slavery: Antiquity and Its Legacy (Paperback)

Filesize: 5.05 MB

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

(Cathrine Larkin Sr.)

SLAVERY: ANTIQUITY AND ITS LEGACY (PAPERBACK)

I.B.Tauris Co. Ltd., United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Life, liberty and the pursuit of happiness is perhaps the most famous phrase of all in the American Declaration of Independence. Thomas Jefferson's momentous words are closely related to the French concept of liberte, egalite, fraternite ; and both ideas incarnate a notion of freedom as inalienable human right that in the modern world we expect to take for granted. In the ancient world, by contrast, the concepts of freedom and equality had little purchase. Athenians, Spartans and Romans all possessed slaves or helots (unfree bondsmen), and society was unequal at every stratum. Why, then, if modern society abominates slavery, does what antiquity thought about serfdom matter today? Page duBois shows that slavery, far from being extinct, is alive and well in the contemporary era. Slaves are associated not just with the Colosseum of ancient Rome but also with Californian labour factories and south Asian sweatshops, while young women and children appear increasingly vulnerable to sexual trafficking. Applying such modern experiences of bondage (economic or sexual) to slavery in antiquity, the author explores the writings on the subject of Aristotle, Plautus, Terence and Aristophanes. She also examines the case of Spartacus, famous leader of a Roman slave rebellion, and relates ancient notions of liberation to the all-too-common immigrant experience of enslavement to a globalized world of rampant corporatism and exploitative capitalism.
