

## An Evidence-based Guide to College and University Teaching: Developing the Model Teacher (Paperback)

By Regan A. R. Gurung, Aaron S. Richmond, Guy A. Boysen

Taylor Francis Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. What makes a good college teacher? This book provides an evidence- based answer to that question by presenting a set of model teaching characteristics that define what makes a good college teacher. Based on six fundamental areas of teaching competencyã known as Model Teaching Characteristics outlined by The Society for the Teaching of Psychology (STP), this book describes how college faculty from all disciplines and at all levels of experience can use these characteristics to evaluate, guide, and improve their teaching. Evidence based research supports the inclusion of each characteristic, each ofã which is illustrated through example, to help readers master the skills. Readers learn to evaluate their teaching abilities by providing guidance on what to document and how to accumulate and organize the evidence. Two introductory chapters outline the model teaching characteristics followed by six chapters, each devoted to one of the characteristics: training, instructional methods, course content, assessment, syllabus construction, and student evaluations. The book: -Features in each chapter self-evaluation surveys that help readers identify gaps between the model characteristics and their own teaching, case studies that illustrate common teaching problems, discussion questions...
