Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you looking for top notch strategies that will carry you from beginning to end in the Python programming language? Then look no further, because **Python Strategies: Bold Strategies to Go From a Newbie to a Pro** has got you covered. There are a lot of books on the market, but what just isn t there is a book that does what this book does as well as this book does it. And what this book does is set you up with the strategies that you need in order to go from an absolutely new Python programmer to a force to be reckoned with in concerns to programming. Other books out there will set you up with basic information, but what they won t do is explain to you the hows and the whys of everything that they re having you do. Or if they do, it ll be extremely cursory and won t give you the proper knowledge that you need to succeed. So at the best, your hand is being held throughout the book, and at the worst, you re left as clueless as you were before you started the book, if not even more so. This book doesn t do that. What it does do is teach you the how and the why, as well as the what and the when. What s more is that this book will teach those concepts superbly well so that you know exactly what you re doing by the end of it, and also know exactly what you can do to get help when you do managed to get lost - as all people do and as you eventually will. So...
