Reviews

The most effective pdf i ever read. it absolutely was writtern extremely flawlessly and useful. I am very easily will get a pleasure of reading through a published book.
(Prof. Vidal Ledner)

THE JOHN IRELAND COMPANION (HARDBACK)

Boydell Brewer Ltd, United Kingdom, 2011. Hardback. Condition: New. Language: English . Brand New Book. John Ireland [1879-1962] was one of the most distinctive and distinguished of a generation of exceptional British composers that included Vaughan Williams, Gustav Holst, Frank Bridge and Arnold Bax. They emerged in the decade before the First World War and, in the inter-war years, produced a remarkable body of music. In Ireland's case his was not only the most popular British Piano Concerto of its time, but he also composed a splendid repertoire of songs, piano music, chamber music and orchestral and choral scores. This richly illustrated Companion will be essential for all admirers of the composer. Not only for the performer - pianist, singer, conductor - but for the wider musical public, record collectors and music historians, academics and anyone interested in British music of the earlier twentieth century. Lewis Foreman has drawn on his extensive research into Ireland's life and letters over many years, and, in association with the John Ireland Charitable Trust, has not only commissioned a wide range of chapters from leading performers and writers of today, but has brought together in one convenient format Ireland's own writings on music, the memories of his friends and students (including Britten, Moeran and Arnell) and a selection of important earlier articles. The Companion also includes a complete list of works and the most comprehensive discography of Ireland ever compiled. The accompanying CD contains historical recordings featuring the voice of John Ireland, with two of his broadcast talks, as well as otherwise unobtainable performances of Ireland's music from the composer himself and from other well-known performers of the past. LEWIS FOREMAN is author of *Bax: A Composer and His Time* [Boydell, 2007] and *London: a Musical Gazetteer* [Yale 2005]. Contributors:...
