7-FOLD WAY TO THERAPY: HOLISTIC SPIRITUAL MEDICINE BASED ON ANTHROPOSOPHY (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My first book was written during 31 years. During the 4 years from February 2011, until the summer of 2015, I went through a fast and deep development with many realizations; both spiritually, energetically, religiously and professionally. The main realizations were the following; -The hands are highly spiritual organs. They can, when the fingertips meet the blood, as in pulse diagnosis, be transformed to highways into the spiritual world, and serve as organs of initiation. -The pulse-diagnosis is not a technique, it is a state of consciousness. -The changes in the pulse are not happening in the physical world, but in the spiritual. -To be able to detect pulse changes we have to be in the spiritual world. -To enter the spiritual world we have to separate either our thinking/feeling/willing or the elements of the physical world as height/width/depth/time. -Working with pulse-diagnosis is a way of initiation into the spiritual world. -Most diseases (80) in children and animals are projections from the grown-ups, the parents. -The projections are real pathological entities, real pathological information, real demons. -All symptoms (diseases) are pathological information, and such information is not lost easily (no information is ever lost). -When we treat the excess after ordinary methods (the theory of the 5-star elemental Chinese theory) we just translocate the disease, the excessive pathological information, which is mostly of Yang (astral) nature. -When we treat the deficiency after the control theory of the 5-star elemental Chinese theory (as lectured by me before) we often just translocate the disease, the deficient pathological information, which is mostly of Yin (etheric) nature. -If we treat the middle, the equilibrium, the mid-point between excess-Yang-astral and deficiency-Yin-etheric, we will not translocate...
