iUniverse, United States, 2006. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Bill did not need a wife, but wanted one. He had become romantically lost. His continued failure to make an honest connection with the women in his life makes him question his current bachelor status. With the right wife, his world could be more. From his time spent in the orient as a young man, he knew formal and informal arranged marriages were the primary method for couples seeking matrimony. Knowing exactly what he was looking for in a wife Bill felt this direct approach might be the answer for him. Fate intervened and Bill was off to Fuzhou, China, to meet Uncle Wu, an unlicensed marriage broker. Growing up on the other side of the world in central China, Wei refuses to let her dream of marrying an American fade. Strong and courageous, Wei moves from the farms of rural China to the city, determined to immigrate to America, even though her family thinks such dreams foolish. However, the question remains, is it possible to find the right spouse without courtship? Bill and Wei seek to find the answers along with their own happy ending.
