By -

Alfred Publishing Co., Inc., 2011. Paperback. Condition: New. Language: English . Brand New Book. Young students will enjoy the mysterious sounds of D minor in this delightful solo. Written in 4/4 time, the melody is divided between both hands that stay primarily in a D minor 5-finger position. Occasional accidentals and hand crossings add to the fun. An optional duet accompaniment matches the articulations and mood of the solo part while providing a steady rhythmic background. This is very manageable for the elementary student and is an excellent supplemental piece played along or with the optional accompaniment. Jean Ritter, Progressions.
