

Money Talks: Life Lessons to Help You Plan Now, Save Wisely, and Retire Well (Paperback)

By Charles Conrad

Drumm Beat Publishing, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What is your money telling you? Is your checking account telling you that you re eating out way more often than you should? Is your mutual fund statement telling you that you should be investing more money on a regular basis? Is your savings account telling you that it s time to add to your emergency fund? Is your life insurance policy telling you that now would be a good time to revisit it? Money talks. It says a lot about who you are, what your dreams are, and how you ll attain them. How well you listen might very well determine whether you can reach your financial goals-for you and for your family. If you don t listen to what your money is telling you, reaching your financial goals-from buying your first home to taking your dream vacation to retiring comfortably (and everything in between)-can seem almost impossible. If you do listen, however, financial freedom-and all that entails-might well be yours for the taking. Regardless of where you are in life-a young professional just starting out, a seasoned executive getting closer...
