Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Vertigo. Paperback. Book Condition: New. Peter Gross (illustrator). Paperback. 168 pages. Tom Taylors life was screwed from go. His father created the Tommy Taylor fantasy series, boy-wizard novels with popularity on par with Harry Potter. The problem is Dad modeled the fictional epic so closely to Toms real life that fans are constantly comparing him to his counterpart, turning him into the lamest variety of Z-level celebrity. When an enormous scandal reveals that Tom might really be a boy-wizard made flesh, Tom comes into contact with a very mysterious, very deadly group thats secretly kept tabs on him all his life. Now, to protect his own life and discover the truth behind his origins, Tom will travel the world, eventually finding himself at locations all featured on a very special map -- one kept by the deadly group that charts places throughout world history where fictions have impacted and tangibly shaped reality, those stories ranging from famous literary works to folktales to pop culture. And in the process of figuring out what it all means, Tom will find himself having to figure out a huge conspiracy mystery that spans the entirety of the history of fiction.
