Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **A German-English Medical Thesaurus: Or Treasure of Single and Compound Medical Words and Terms, With Dialogues, Idiomatic Phrases and Proverbs, Etc., Etc** From the frequent inquiries coming to me concerning the nature of a convenient manual like the following, I could not mistake the suggestion, that a book of this, kind was a great desideratum. By the advice of a few friends, whom I consulted regarding this subject, and from the increasing conviction that the book was positively needed, I felt encouraged to undertake the work, although the task of writing such a book seemed to me not altogether without difficulty. The success Of my Improved Method and Complete Manual for the Systematic and Practical Study of the German Language, however, filled me with confidence, giving me also the sure and true basis for the practical construction Of this work. In regard to the various parts of the book, much labor was necessary for the information I desired to present, and to what extent this had to be done, can be judged from the manifold contents of the book, demonstrating also that the parts and subjects treated, were what the scope of such a work seemed to demand. The German and English indexes alone contain over twenty thousand words. For accurate and convenient reference I have added, at the close of the book, the complete schedule of declensions and list Of irregular verbs of my German Grammar. The reason for making this addition arose from the conviction that if persons studying or having studied the German Language, on the one hand, can classify a noun at sight by looking at the schedule of the terminations of...
