Martin Gears, one of the members of the backstage crew, as well as one of Faiths and my good friends, exclaimed. You were truly convincing as the Phantom! Thanks, Dude! I exclaimed, smiling and giving my good friend a fist bump. Sincerely, I added, However, I think the one that truly deserves an Oscar for tonight's performance is Faith. She definitely has a calling for acting that is for sure. Martin pointed out. Nodding and smiling, I agreed with Martin. Faith had a raw and natural talent for acting. For as long as I had known her, acting had come to Faith naturally. Just like Faith had done in all of the plays that she had been cast in, Faith had the capability to blow a crowd away and bring the house down. No, I am not joking, nor am I saying this because she is my girlfriend. I am saying it because it is the truth. Do you think that she would ever consider acting as a profession Martin asked, breaking me out of my thoughts. I honestly don't know. I replied. However, if it was something that she wanted to pursue, I would be there for her and back her up 110. This item ships from La Vergne, TN. Paperback.
