Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotonny at at any time of the time (that's what catalogs are for about if you check with me).

A BIG QUIET HOUSE: A YIDDISH FOLKTALE FROM EASTERN EUROPE (HARDBACK)

August House Publishers, United States, 2005. Hardback. Condition: New. Language: English . Brand New Book. With a tiny, cluttered house, giggling children, and a snoring wife, the poor man in this story can't get a good night's sleep. If only, he thinks, I had a big quiet house! He throws off his covers and goes to visit the wise old woman at the edge of the village. Surely she can help him solve his problem. And she does, but not without giving him some very nonsensical advice. Bring a chicken into your house, she suggests. And when that doesn't work, she has him add a goat, a horse, a cow, and a sheep. The ending of the story proves, as so many ancient folktales do, that quite often, nonsense makes the best sense of all.
