Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **Key to Robinson s New University Algebra: For Teachers and Private Learners** This higher object is purely educational, and is simply an extension of the author s design in the solutions given in the text-book. It is to illustrate more completely the principles of the science, in their practical bearings and to show the application of the rules and methods taught, under the greatest possible variety of circumstances. Viewed in this light, and used with discretion, a **Key to an Algebra** may be serviceable to all students of the science, and especially to teachers who, by reason of limited educational advantages, find it necessary to apply themselves diligently to self culture in their profession. About the Publisher **Forgotten Books** publishes hundreds of thousands of rare and classic books. Find more at **This book is a reproduction of an important historical work.
