Booksurge Publishing, United States, 2003. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Q: Who can benefit from the book? A: Frustrated beginning real estate investors will benefit the most from the book but any investor at an intermediate level (2 years of experience or less*) can: - Learn from various stories of our failures and successes - utilize and incorporate little-known details making a real estate transaction run as smooth as possible - implement proven strategies and systems of routine for successful real estate investing Q: What is the book about? A: The book is a step-by-step guide for real estate investors looking to maximize one strategy of real estate acquisition for maximum cash flow, return on investment, and appreciation. We combine real world experiences along with a comprehensive explanation of each step or part of the real estate acquisition process. The book features numerous resources, tools, and proven strategies for success from someone who is fresh from the trenches and eager to teach people our profitable discoveries ! Q: Why did you write a book about real estate investing? A: Like many beginners, I was frustrated by the vast amount of information available on the subject of real estate investing. I wanted someone to walk me through all of the steps left out in a typical real estate investing book! I needed hand holding! I can be honest here! I wanted to offer something so beginning investors can become successful in a quicker time frame by gaining essential fundamental knowledge and incorporating an educational path designed with their specific goals in mind. I realize that no one can write a book that encompasses every aspect of real estate investing but I wanted to introduce one concept or step...
