By Elbert Hubbard

Taciturn Pipe Publishing, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Elbert Hubbard penned his classic essay, A Message to Garcia in one hour after a dinnertime discussion with his family. The family's conclusion? The true hero of the Spanish-American war was Captain Rowan, a messenger who braved death by carrying a note behind the lines to Garcia, the leader of the insurgents who was hiding somewhere in Cuba. But where? No matter, Rowan found him and delivered his message! Hubbard saw that Rowan's initiative contained lessons for everyone, not just those in the military. Hubbard calls upon readers to be like Rowan, worthy of carrying their own message to Garcia. A Message to Garcia was distributed around the globe by the millions in the 1900s. The fact that it still has currency today is testimony not only to Rowan, but to Hubbard, who saw an opportunity to call attention to an important life principle, and seized it.

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*
