Createspace Independent Publishing Platform, 1926. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.One glorious autumn day, when the pale mellow gold of the sunshine softened the ruggedness of the encircling mountains and lay caressingly on the gnarled live oaks, on the sky-reaching eucalyptus, and on the red-berried pepper trees, a tinkling of bells was heard on the long highway that led into the little garden village of San Seritos, half asleep by the gleaming blue Pacific. A gypsy caravan, consisting of three covered wagons drawn by teams of six mules, and followed by a string of horses, drew to one side of the road and stopped. A band of nut-brown, fox-like children scrambled down and began to race about, the older ones gathering sticks for the camp fire which they knew would soon be needed. Four men, aquiline nosed, and with black hair hanging in ringlets to their shoulders, and as many women, gaudily dressed, with red and yellow silk handkerchiefs wound about their heads, prepared to make camp for the night.
