Xulon Press. Paperback. Condition: New. 198 pages. Dimensions: 8.2in. x 5.5in. x 0.6in. Miracles happen each and every day and I am proof of that. No matter what the circumstances there is always hope. Never underestimate the power that God has in your life or a loved one in your life. I defeated childhood cancer when the odds seemed to be against me. My diagnosis of Acute Lymphoblastic Leukemia was made in 1977. I was only five years old and the doctors did not think I would live to see my sixth birthday. The doctors thought if there was any chance of survival that it would only be five more years. May you be encouraged and blessed by my uplifting story. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
