On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.The on-going legal tragedy of conservatorship abuse, the criminalization of the ward to justify the legalized theft that takes place, and the author s attempt to fight back. A Tarantino-esque tale where the protagonist has been falsely adjudicated insane, a danger to himself and society, but the only society he is truly a danger to is the dark one inside the halls of justice, where the crooks work in secret and wear black robes, demanding to be called your Honor. It would read like gonzo-fiction if it weren t all true. Continue following this story without end, filled with intrigue, heartbreak, and real life drama.
