Bella Nuda Arts, 2017. Paperback. Condition: New. Updated ed.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Exquisite Curves, 2nd Ed: Learn Composition and Posing for Photographing the Female Nude The lines of the female form are a masterpiece of nature, as the title of this book implies. But, there are infinite ways to represent this beauty. Your job, as a photographer, is to create work that is appealing, fitting, and meaningful. This book takes a two-pronged approach: first by teaching the academic and second by encouraging hands-on creativity. This guide presents the material through five main chapters: Composition, Technique, Posing, Self-Expression (Style), and Camera Assignments. The instruction is intended to be accessible to any novice with a serious interest in the composition and posing of female nudes. You do not need to be an artist or a photographer to understand the material but a basic understanding of camera operation is assumed. It is written for the uninitiated and for those who have no more than a modest amount of experience with photography or composition. The book begins with a discussion of visual literacy and its importance. Next are the abstract elements of composition, such as lines,...
