The book is written by Susan Louise Peterson, a school psychologist who has conducted over 1000 assessments on young children with possible developmental delays and autism concerns. The book is parent friendly written in easy to understand language. Parent concerns in the areas of communication, stereotyped behaviors, social interaction, unusual behaviors and daily living are presented with a school psychologist's perspective of the concern. The book is also geared to help professionals as it gives an overview of autism characteristics. Is My Child Autistic or Delayed? even discusses the wrong reasons a parent may want a diagnosis of autism for a child. The multidisciplinary team approach is discussed in the decision making process of whether a child is delayed or has autism characteristics. Is My Child Autistic or Delayed? gives...
