

Agile Project Management: A Complete Beginner's Guide to Agile Project Management (Paperback)

By Marcus Ries, Diana Summers

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In understanding methodologies and agile project management, we look at the different techniques in which you can successfully develop management skills. As you know, it is quite important to adopt a multifaceted approach when it comes to management, to get your job done in a facile manner. Agile methodology is a multifaceted approach that finds its application in many different fields and can be considered an umbrella concept. Right from engineering to IT to business management, there are many areas where one can effectively apply the ideologies of agile management. Once you go through the book, you will understand how easy it is for you to adopt and utilize it to enhance your business. The agile management technique focuses on four main aspects, namely - effective communication with clients/parties, delivering a work application, collaborating with clients and changing up the scope of work. All of these need to be controlled and managed in order to enhance productivity. That is exactly where this book comes into play. In the course of this book, you will learn how to: Understanding the iterative...
