Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.IMAGINE LIVING ON ANOTHER WORLD IN UTOPIA General Tom Evens was rescued from Earth and invited to live on the planet Erra with other loving humans. After 20 years in paradise, Tom returns to Earth in order to help the people to rid the planet of malevolent extraterrestrial races that have been covertly preparing to take over the world. Great hardships on all mankind are first prevented. Then, several battles are fought in order to halt the stripping of our basic human rights, the confinement of people in large relocation camps, and manipulation by reptilian tyrants. Finally, gray-skinned beings with large heads and large black eyes are fought in order to stop the abduction and manipulation of people for the creation of human-looking hybrid slaves for them to take over the world with. And then the real action begins to end human slavery. This book was not written to frighten anyone about our future, but to prevent catastrophes that are now being prepared against human freedom. I care. Do you?.
