When an accident claims her mother s life, Keahilani Alana must take charge of her ohana (family) or risk losing what little they have. With an underage brother to care for and no education, she has few options. The door to a heavenly hellish opportunity opens when she stumbles upon a valuable secret her mother left behind on the slopes of an extinct volcano-a legacy that tempts the family with riches beyond their wildest dreams. His investigation reveals that Keahilani, the sexy surfing instructor he pegged as an informant, is much closer to the drug ring than he thought. Passion ignites between them in the bedroom, but their ironclad ties to opposing interests pit them against each other everywhere else. When tensions reach the breaking point and her ohana is threatened, the only cure for Keahilani s hot-blooded fury is a loaded clip with a body bag chaser. They don t call her Pele for nothing. * HOT-BLOODED is a suspense/thriller that contains drug use and graphic sex, language, and violence.
