Everything in Between: An Everything After Rocker Romance Gabe Preston. The man who wrecked me; who tore through my life leaving no stone unturned and then simply walked away. It took me two years to piece my life back together in the aftermath of his storm. Two years and still even the mention of his name causes my chest to constrict. I hate him. I hate everything about him. I hate how he thinks that he can walk back into my life after all this time and I m just going to melt at his feet. If he thinks his newly found ROCKSTAR status holds any power over me at all, he couldn t be more wrong. If anything, it makes me hate him more. Only I don t hate him. Not even a little. One smile and the last two years all but vanish. But I know what loving a man like Gabe Preston will do to a girl. I ve lived it firsthand. I won t make the same mistake twice. Not knowing what I know. He may be used to having all the power, but I m the one with the secret that will change everything. Everything in Between is a standalone rocker romance novel that can read by itself or following Killian and Nora s story in Everything After.
