Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

A HOUSE NEXT DOOR TO TRAUMA: LEARNING FROM HOLOCAUST SURVIVORS HOW TO RESPOND TO ATROCITY (PAPERBACK)

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2003. Paperback. Condition: New. Language: English . Brand New Book. Judith Hassan has written a book which will strike readers on several levels. Dedicated to the memory of her parents - her mother was a refugee from Nazi Germany - it tells of the growing understanding derived from working with Holocaust-survivors. The Holocaust brings many lessons for all of us. Hassan s particular lesson is that it is possible to help those who carry deep within them old and desperate wounds. The lesson extends to suggesting that we could do the same for others whose wounds are fresher, perhaps more accessible. And she shows us how help might reasonably be given. - Jewish Chronicle This book describes what the author has learned, from working at the Shalvata Centre in London and setting up the Holocaust Survivors Centre (HSC) next door, about the sort of services that can help those who survived the trauma of life in a Nazi concentration camp, or flight in the kindertransport, to realize their capacity for joy and contentment in the latter part of their lives. - Jewish Quarterly Some suffering, like certain grief leaves scars beyond those who experience it themselves. Their children carry it in their wounded souls like secrets that are too burdensome, or nightmares that are too disturbing to be faced. It is not a matter of physical or psychological wounds, for these are not even tangible. They often escape detection from traditional medicine or therapy, emanating from experiences transmitted from one generation to the next, each equally traumatised. But for those who can recognise these wounds, as Judith Hassan does in this book rich in understanding and compassion, the pain remains vivid. Elie Wiesel, Andrew W. Mellon Professor in the Humanities, Boston UniversityHow do we respond...
